TALK WITH TED

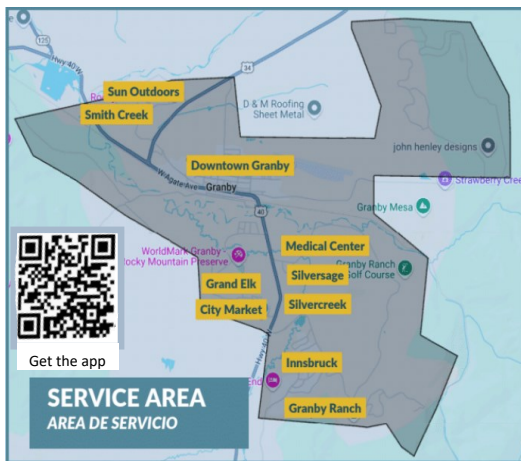

There's a lot happening with town this summer. We recently conducted a survey on our Parks & Rec Master Plan and what you, our residents, want to see for parks, trails, and other recreational opportunities. Please watch for opportunities to comment on the results.

ECONOMIC DEVELOPMENT

Hopefully, you have noticed the lamp post banners being installed along Agate Ave, as a result of a Main Street grant funded through DOLA (Department of Local Affairs). After receiving much community feedback, Destination Granby steered towards local artists to create pieces of art to honor our small town events, activities and history. This summer we will see original artworks created by Granby's own, Michaela Cross. Keep a look out this fall, as we honor our agricultural and ranching roots.

For the 4th year, Music and Market is currently underway on Thursday nights in Polhamus Park through August 14th. The vendor market opens at 5:30, with music starting at 6pm. If you bring your own cup, you will receive \$1 off drinks. Big thank you to RTE Custom Builders for helping us improve the stage in Polhamus Park with a new facelift! We are hoping to have an encore performance in the Park on August 21st coinciding with a community picnic. Stay tuned to Destination Granby for more information to come.

Art in the Park returns once again over Labor Day weekend. Come watch artists create bird-themed murals to decorate the long wall on Agate Ave.

Destination Granby also wants to remind the business community that Granby businesses receive FREE business listings on their website. With lots of views and online traffic to their website, this is a free and easy way to gain exposure for your business. For more information, reach out to 970-887-2311 or send an email to sarah@destinationgranby.com.

Planning Commission meetings are held the first Monday of every month unless no applications are received.
