One innocent Pterodactyl drawing, and a machine start-up later — BOOM! Terry, the Pterodactyl, bursts out, flapping, squawking, and declaring that anyone who isn't a dinosaur has got to go! Meghan and Aidan must outsmart their own flying mistake before the island becomes "Dino-Only Property."

Time: 10 a.m.

Dino O'Dell: Musical Journey of Life on Earth

Travel through the Paleozoic, Mesozoic, and Cenozoic eras in a show filled with songs, stories, and animations. The audience studies mammals, sea creatures, and—of course—DINOSAURS!

Magic Rocks!

Part magic show, part science adventure, and all laughs, this high-energy program encourages kids to dig into reading and unearth the gems found in both books and beneath their feet.
