

Town of Granby: AV Upgrade Proposal

Presented by:

Catherine Romano / Conference Technologies (CTI)

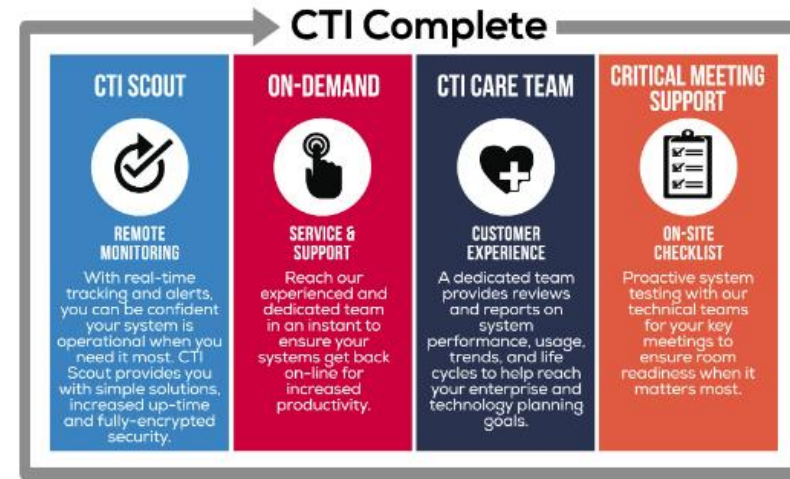

Conference Technologies (CTI)

- ▶ CTI was Founded in 1988 and is now one of the largest audio/video integration companies in the US.
- ▶ CTI provides audio/video solutions for all industries.
- ▶ A Justice Division was created to focus on courtrooms and council chambers to provide audio/video solutions that are up to date with current technologies and client needs.
- ▶ CTI works at the local, state and federal levels.
- ▶ CTI is 1 of 4 approved audio/video companies that provide top notch solutions to the US Federal Court.

CTI Complete

MORE LEVELS OF SERVICE. COMPLETE SUPPORT.

- ▶ After installation support
- ▶ CTI Scout: remote monitoring
- ▶ On-Demand: remote and onsite support
- ▶ Reliability Checks: help reach technology goals
- ▶ On-Site Checklist: proactive system testing to ensure room readiness

- ▶ 1 year is included in the proposal
- ▶ Additional years could be added

Proposed Audio/Video Solution

▶ Display System

- ▶ Monitors will be installed on tilted mounts for each member at the dais to view shared content and be able to see the public

- ▶ Option to replace existing projectors and screens with new equipment to provide clearer images and longer equipment life

▶ Video System:

- ▶ HDMI inputs will be provided at the podium and clerk location for content share.
- ▶ A camera will be installed in the ceiling to capture documents being presented at the podium and will be shown to the monitors at the dais.

- ▶ The existing display on the cart with the camera will be integrated into the system to allow Zoom audio and video calling

▶ **Audio System:**

- ▶ The existing desktop microphones and ceiling speakers will be re-used and integrated into the new system
- ▶ (1) new microphone will be added to the podium

▶ **Control System:**

- ▶ A tabletop control touch panel will provide control of all AV equipment

▶ **Podium & Rack:**

- ▶ A new custom rack will be provided and will be in similar color to the existing furniture in the room
- ▶ A new podium will be provided that will be able to move around, hold documents up to 24" x 36" and be in similar color as the dais
